DELTA 4

Robin of Sherlock

A TEXT/GRAPHIC ADVENTURE IN 3 PARTS
By DELTA 4 Software

I leant back against the lamp-post, surveying the busy rush of traffic along Sherwood boulevard. It had been a hard day at the forest. First, there was the Dorothy kid, bush-whacked on her way to the Wizard of Huddersfield, her dog held to ransom. Then there was the anonymous tip-off about the convent's link with Godfather Smurph.When his name crawled out of the files it always meant some sort of racket. I smelled a rat, and one using Brut 33!

Jerking myself away from the cold security of the streetlight, I trudged down a dim alley to where I knew I could get a cab and it wasn't long before Al pulled up. Al had always been a good cabbie but that night I couldn't help help noticing something odd about him, or rather his cab. It had been stolen!

Yet another mystery in one day! Something had to be going down. I figured I'd better go and check out Marian and see if she was okay. It looked like being a tough week!
